

Call for Expertise: Join Our Pool of Experts at Middle East Consulting Solutions (MECS)

Position: Expert Roster
Location: Remote
Duration: Temporary Consultancy Contract

About MECS

Founded in 2016, Middle East Consulting Solutions (MECS) aims to be the leading specialist research company in examining protracted conflict challenges and providing practical solutions that facilitate social impact. MECS is committed to offering our diverse client base with locally sourced data and insights towards outcomes that are grounded in, reach, and benefit the communities they intend to serve.

From its headquarters in Portugal, MECS represents a team of highly skilled experts with decades of combined experience in improving the quality and effectiveness of aid delivery. Our services include needs assessments and capacity analyses, third-party monitoring and project evaluations, perception studies and opinion polls as well as thematic research and policy insights. Through our partnerships with more than 30 reputable organisations, which include a range of institutional, humanitarian, and development actors, MECS has delivered over 140 contracts covering Syria, Lebanon, Iraq, Libya, Yemen, and Ukraine.

About the Opportunity

MECS is currently inviting applications from experts and consultants to complement and supplement our rapidly expanding range of projects, geographies, and services. We are looking for professionals to contribute to a diverse portfolio in the following thematic and sectoral areas:

Thematic areas:

- Humanitarian Projects and Programmes
- Economic Livelihoods and Recovery
- Critical Infrastructure and Development
- Digital Utilities and Technological Solutions
- Climate Change and Sustainability
- Conflict Sensitivity and Impact
- Gender and Protection
- Governance and Transitional Justice

Specific Sectoral Experience:

Agriculture, Cash-Based Activities, Child Protection, Civil Society, Conflict Analysis, Conflict Sensitivity, CVE (Countering Violent Extremism), DDR (disarmament, demobilisation, and reintegration), Durable Solutions, Education, Emergency Response, Food Security, FSL (Food Security and Livelihoods), GBV (Gender-Based Violence),
